

I already have pets of my own, why give to SCHS?

As a responsible pet owner, you know how expensive the unexpected can be. Your contribution to SCHS helps community members in financial hardships keep their pets. This elevates our limited capacity facility by providing us with the opportunity to offer the following assistance.

- Spay/neuter vouchers for Scotland County residents on Medicaid or Food Stamps
- Local events that provide pet vaccinations to those who qualify
- Community programs to minimize the overpopulation of strays

Who We Are

About Us

The Scotland County Humane Society is a non-profit organization which depends on donations to remain solvent. We are dedicated to the stewardship of abandoned, lost, abused, impounded, and surrendered animals in our community. One of our most important goals is to find our animals a happy, permanent home, through local adoptions or rescues. Each dog and cat in our care is provided with a healthy, clean, safe, and warm place to stay while they await their adoption.

What if I can't afford much?

For \$1 we can feed one animal for one day

No donation is too small and every little bit counts. You may also feel free to donate goods! We're always in need of:

Purina One Adult Dog and Puppy Chow
Purina Adult Cat and Kitten Chow
Martingale quick release dog collars, all sizes.
Trash Bags
Paper Towels
Alpo Snap Treats
Hand sanitizer
Clorox
Postage stamps
Wal-Mart gift cards

What type of enrichment does SCHS offer shelter pets?

For as little as \$5 we could buy a gift for our shelter pets such as a toy or a treat. Other ways to keep our shelter pets active are outside kennels where our shelter dogs can run around chasing toys. In some cases, we may have an office cat room free in a closed room for some additional exercise.

You can view their outdoor activities on our YouTube channel!

What about sleeping arrangements?

Every dog kennel is equipped with a Kuranda bed which can be donated directly to us with the following link: <https://shelterbeds.org/donate/66529>

Every cat kennel has a raised sleeping area. Towels and blankets are acceptable donations to make these areas more comfortable for our shelter pets.

Why send more than a few dollars?

For a variety of reasons, our shelter pets have been abandoned, lost, abused, impounded, or surrendered by Scotland County community members. You can be the difference they need by providing financial support through Constant Companions. A monthly sponsorship donor group of the most passionate supporters, who make it possible for SCHS to plan for lifesaving efforts today and the future. Contributions can be made in memory or in honor of your friends and loved ones, as well as your pets. Please visit our website homepage for a printable form or ask for one in person during our normal business hours.

Even a one-time donation to medical or travel needs can save a life!
